# About Elevation Hair & Makeup

Hi! I'm Nancy. Hair and makeup are my passion. For over 25 years I was the senior artist at CNN in New York working in live television, providing hair and makeup for dozens of people on a daily basis with tight deadlines and quick turnarounds. I've worked with thousands of stars, from Bono, Will Ferrell, Robert Plant to President Biden. In addition to my work with CNN and private clients, I was the resident makeup artist for the Metropolitan Opera in New York for over 10 years, working with the world's top opera stars.

I've provided hair and makeup for television, movies, corporate events and weddings. I'm also the personal makeup artist for the renowned opera star Renée Fleming, and have been lucky to travel extensively with her and experience some of the greatest venues around the world.

From the Superbowl, Presidential Inaugurations, to the Nobel Peace Prize and even royalty, I've performed at the very top level of my profession.

In 2021 I moved to France and in just a few months, had my very own fairytale wedding at Château de Courtomer in Normandie. Since then, I've worked over 75 weddings across France and Europe.

Elevation Hair & Makeup provides the following services :

- Weddings & Trials (brides / bridesmaids etc)
- Television & Film Production
- Personalized makeup (for personal / corporate events)

I'm available throughout France and Europe and am fortunate to work with some of the country's top châteaux including Château Du Doux, Château La Durantie, Château de Courtomer, La Canonnerie, Château La Gauterie, No. 3 The Château and many more.

I would love to make your next event more radiant and beautiful. At Elevation Makeup you're in the best possible hands and I'll help you find the perfect look for any occasion. Please use the contact form on my website and I'll get back to you within 24 hours!
